Keep Columbus Beautiful is a City of Columbus program within the Department of Public Service. Also KCB is an affiliate of Keep Ohio Beautiful and Keep America Beautiful.

In addition to assisting civic, religious and neighborhood groups, individuals, and block watches organize voluntary cleanups; KCB works with individuals and organizations to claim responsibility for a given area by "adopting" it.

The adoption of an area—street, roadway, or other public sector property—is a commitment to help keep that area beautified and free of litter, so that it becomes an asset to a given community.
